Dear Friend,

This is your invitation to be part of an exciting annual event showcasing Irish culture and heritage. Because of the pandemic, the Irish Club of Alaska has re-created our in-person event this year as the **Galway Days virtual Irish Festival (GDvIF)** on **Saturday, August 8, from 11 am to 6 pm**. Our online version will allow you to enjoy all the best features of what Galway Days is known for: music, storytelling, workshops, and vendors.

To make sure the virtual Galway Days is high quality, the Irish Club of Alaska is collaborating with a team of skilled professionals who are able to use all the technology necessary to make this a reality. But this undertaking and commitment has a price tag. We are seeking community-minded individuals and companies who can sponsor the very best experience for our performers and guests by engaging the technical teams, equipment and supplies needed to create a wonderful virtual Festival.

We need your support by choosing a sponsorship level that works for you and your organization. We've designed these sponsorships so that they are accessible by all levels of supporters. Descriptions are on the attached page. Keep in mind that this year, your name and business will be going out to GDvIF participants around the globe, and will be seen far beyond the festival day of August 8th.

Please send your completed **Galway Days virtual Irish Festival 2020 Sponsorship** form to irishclublak@gmail.com. If you prefer, an ICA member will pick up your form and coordinate with you on the promotional material associated with your sponsorship level.

Thank you in advance for your commitment to support the Galway Days virtual Irish Festival 2020.

Sean McGrane
